Halloween Carnival

The Interior Design Club, "Designers' Second Edition" brought fun and activity to the Rend Lake campus with their "Halloween Carnival." All active clubs were invited to participate with a small entrance fee. Proceeds were retained by each organization for future activities. Combined efforts by "Circle K, S.E.A., Lettermen's Club, Nursing, and Designers' Second Edition made the event a success. Mrs. Alred sponsor of the design club said, "There was a positive reaction by students, faculty, and administration to merit the carnival as an annual campus activity."

Rob Franklin takes a pause for the cause.

Doug Leeck reminds students where popcorn comes from.

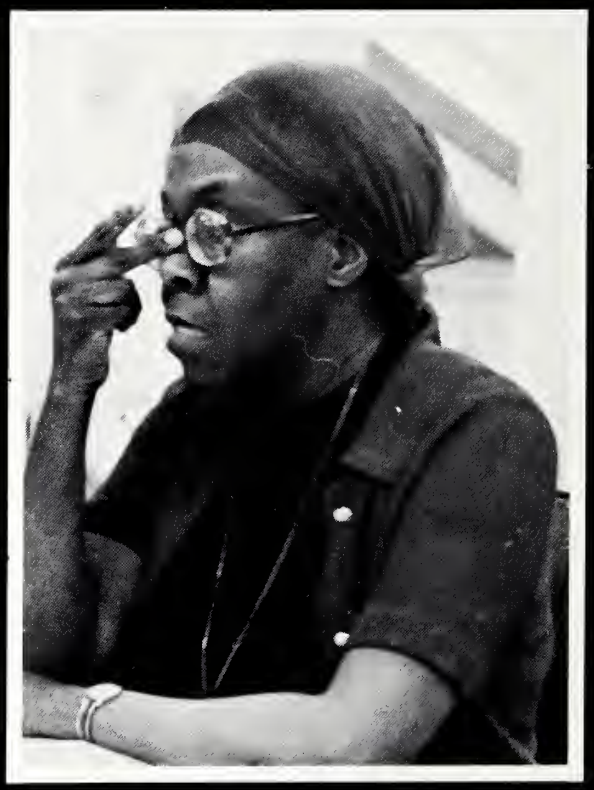
Gwendolyn Brooks Visits Rend Lake College



Gwendolyn Brooks, poet laureate of the state of Illinois, visited Rend Lake College on April 21, 1977. She held a workshop for Rend Lake College students. She recited her poetry to an enthusiastic group of high school and college students, who packed the Rend Lake College Auditorium. She was appreciated by all.

GWENDOLYN BROOKS

I went early to sit in front
so I could really see her.
She came in (walking as if her feet hurt)
head turbaned, eyes mild behind thick glasses.
She looked like a middle-aged housewife
(like my black counterpart I thought, surprised).
Had I expected a nimbus of sacred fire around her head?
She looked, in fact, like Maud Martha.

With quiet humor, she talked of her life;
She talked, as I would,
of childhood
of love in early drab apartments
of birthing babies
of growing children
and, as we listened, she talked of poetry.

She read her poems and I was shaken
for, when she read my favorite, "We Real Cool,"
she did not read it, as I had done,
with a jazzed-up, white-synthetic, jive-beat,
but, oh so slow and soft,
like a funeral song.

A Touch of Spring

"A Touch of Spring" was a designers dream come true as a home interior exhibition sponsored by the Designers' Second Edition. The Designers' Second Edition is a student organization whose purpose is to promote quality interior design. The club members maintained full responsibility for all aspects of this show which entailed obtaining the facilities, selling exhibit spaces, advertising, and keeping order in the exhibit hall. The club also operated a booth in the exhibit which provided free interior design recommendations for the public. This was a major accomplishment for a student group and demonstrates that the "Designers" of Rend Lake College are not ones to just talk of their talents but they put these talents to work for the public.

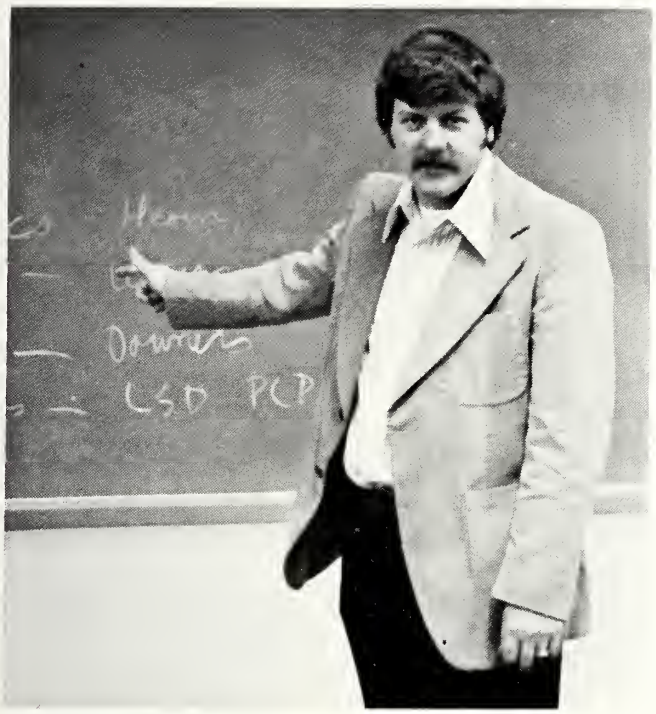
Speakers

One of the high points of Mrs. Hall's Social Problems class was the presentation made by three inmates of the State Correctional Institution. They openly discussed with the students the reasons for their being institutionalized, their experiences in the institution, and the possibilities for their release. It was quite a unique and enlightening experience for the Rend Lake College students.

Mr. Steve Browning from the Bank of Illinois spoke to Mr. Terry Clark's agriculture students on "Agriculture and Financing."



LEFT: Mr. Gary Tucker, Instructor at R.L.C., conducted a seminar on the use of drugs. The seminar was sponsored by Mrs. Judy Skelton, the school nurse. Gary Tucker obtained his first hand expertise while serving as a police officer for the City of St. Louis. The seminar included discussion of the identification of drugs, users, and dealers. The seminar was well attended by R.L.C. students and faculty.

BOTTOM: Scott and Susan Hall spoke to Mr. Dewitt's child physchology class on the various aspects of the Lamaze method of childbirth. They brought to the class first hand experience as they used this system for the birth of their son, Brian. Other classes joined in their interesting presentation and question period.

Awards

Gary Hutchcraft, a 6'4" sophomore Rend Lake College basketball star, received a trophy for being selected to the All Conference First Team. Some of his other achievements were being selected to the Illinois All Star South Team, leading Rend Lake scorer during 1977-78 season with a 18.2 per game point average, and was voted the most valuable player of 1977-78 Rend Lake College team.

David Pyne received an agriculture scholarship from Southern Illinois University Carbondale. He received the scholarship for having earned the highest grade point average. Dr. William E. Hudson presented this to David Pyne on the Rend Lake Campus.

Cheerleader Contest

A cheerleader contest for elementary school cheerleaders was held at Rend Lake College on Feb. 18, 1978. This was directed by Mr. Wayne Arnold, an instructor at Rend Lake College. He was assisted by Lisa Van Horn, a former Rend Lake College cheerleader and present employee of Rend Lake College. Present Rend Lake College cheerleaders and physical education students also played host to the participating schools. Thirty-three elementary schools participated in the contest.

Phi Theta Kappa Initiation

The Phi Theta Kappa initiated 56 new members on March 21, 78. The ceremony was conducted in the North Oasis. Dr. Richard Doherty, an instructor here at Rend Lake College, spoke on "Strokes and Heroes." The initiation was very successful.

"Moments to remember"

You must have a lot of those

that come to mind as Rend Lake Days

are drawing to a close . . .

the friends you met,

the goals you set,

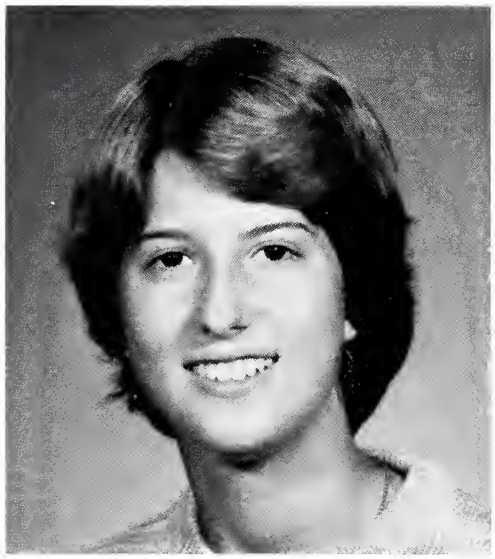
the excitement and the fun . . .

And may you find

such moments in your life

have only just begun.

IN MEMORY OF



Debbie Smith

Roger Bowers

May the road rise to meet you

May the wind be always at your back

May the sun shine warm upon your face,

the rain fall soft upon your fields

And, until we meet again,

May God hold you in the palm of his hand
